IDENTIFICATION NUMBER: C00309567

REFERENCE: MID-YEAR REPORT (01/01/2011 - 06/30/2011)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 2 item(s):

1. The beginning cash balance of this report does not equal the ending balance of your Year End Report (11/23/10-12/31/10). Please correct this discrepancy and amend all subsequent reports(s) that may be affected by the correction. (2 U.S.C. § 434)(b)(1))
2. Schedule D of your report discloses apparent credits for debts owed to "Samuel P Dickens IV", "Sage Publications, Inc Congressional Quarterly", "EIR News Service, Inc.", "AllState", "Echo" and "Dominion Virginia Power." If these debts have been forgiven, please be advised that Commission regulations (11 CFR Part 116) control the settlement of debts between political committees and their creditors. You should be aware that only terminating committees are permitted to settle debts. However, ongoing committees may request a determination from the Commission that a debt is not payable. 11 CFR §116.2(b)

If these represent resolution of disputed debts, please note that until the creditors and committee resolve the dispute, the committee must disclose the amount the committee admits it owes, the amount the creditors claim is owed, and any amount the committee has paid the creditors. 11 CFR §116.10(a). Please provide further clarification regarding these apparent credits.
